GENERAL REQUIREMENTS

(Updated on 08 April 2024)

1 - Course organization

Classes are organized in two different ways :

- **Group classes** with a minimum of 5 and a maximum of 15 students.
- **Private lessons**. In principle, private lessons are one-to-one. However, one-to-one lessons can be given with a second participant. In this case, each participant benefits from a 20% reduction in the hourly rate.

In the event of an insufficient number of students in a group, the school management may maintain the course or reorganize the other groups to accommodate the students.

2 – Courses

Priority is given to **face-to-face courses** at EFI PARIS's head office in Paris, but courses can also be held at other locations in Paris or Marne-la-Vallée.

In exceptional cases, courses can be held **remotely** if the school is unable to organize a face-to-face course. This may be due to the teacher's inability to travel, the replacement of an absent teacher for a serious reason such as illness, a strike, etc.

3 - Registration

Once the registration form has been completed, an estimate will be sent to the person requesting it.

All orders can only be validated - and courses reserved - if effective payment of 30% of the order amount has been made, with a minimum amount of 380 euros (or of the entire course for courses costing less than 380 euros). The remaining amount is subject to an agreed payment schedule.

Payment must be made in full by the first day of the course at the latest, unless the school agrees to defer payment.

A certificate of enrolment for VISA purposes can only be provided for courses lasting a minimum of 4 months.

The student card is free of charge. It is issued at the student's request, preferably for courses lasting more than one month. Only one card is issued. If the student wishes to renew his or her card (lost, damaged, etc.), the new one will cost 15€.

The student undertakes to be legally resident in France.

EFI PARIS declines all responsibility for any irregular situation and will not issue any refunds.

4 – Payment

Depending on the case, payment in instalments is possible for students resident in France. A guarantee will be required in the form of a deposit, instalment payment by credit card, cheque or direct debit form. However, no official registration document can be issued without full payment of the amount specified in the quotation.

Tuition fees can be paid by any method: cash, cheque in euros, bank transfer or credit card.

In the case of payment by foreign cards, payment charges are payable by the student.

Foreign bank cards :

- Invoices up to 250 euros: no charge
- Invoices from 251 to 500 euros: 5 euros
- Invoices from 500 to 1000 euros: 10 euros
- Invoices from 1001 to 2000 euros: 20 euros
- Invoices from 2001: 30 euros

Transfer fee from an account outside the European Union: 10 euros

These amounts are subject to change depending on bank charges.

5 - Refunds

Sums paid are non-refundable except in very special cases. They may be converted if necessary.

Tuition fees paid will not be refunded after the course start date.

6 - Cancellation and refund conditions

6 -1 : Students without a visa :

Students may be reimbursed almost in full in very special cases of force majeure. For example, in the case of long-term hospitalization, illness or accident, incapacity... All cases will be examined on presentation of documents proving the reality of the situation presented and the permanent impossibility of attending classes. The €380 fee will nevertheless be retained and will not be reimbursed. However, registration remains valid for one year.

In other cases, courses may be cancelled if the request is made more than 30 days before the course is due to start. The student may be reimbursed for the full amount, less the pre-registration fee of €380.

Between 30 days and 15 days, the student may be refunded 50% of the amount invoiced and paid.

Within 15 days, no refund will be made.

6 - 2 : Students with a long-stay visa :

For VISA formulas (8 months or 1 year), **30% of the amount must be paid** at the time of order. This amount is **non-refundable but can be converted**.

If the student visa or long-stay visa is refused, the amount paid **can be converted** into hours of lessons over a shorter period, up to the limit of the amount paid. An online solution may be considered if the student really can't travel.

Students can also choose to defer their lessons for up to 12 months.

If the student has paid more than 30%, a refund of the higher amount can be made on presentation of the original letter of refusal from the French Embassy/Consulate or the Prefecture. **These documents must be provided within 2 weeks of the date of the decision.**

Depending on the case, the student may be asked to submit a second visa application or appeal, particularly if the letter states that the information provided is unreliable or incomplete.

No refunds will be made after the scheduled course start date or the first day of class unless the visa application is still being processed.

Students must inform the school of the status of their visa application at least two weeks before the scheduled course start date.

All students with visas must be present in class. Students must give notice of their absence.
